

A detailed, light gray map of Cape Town, South Africa, serves as the background for the entire slide. The map shows the city's layout, including the harbor, surrounding hills, and various urban areas.

WATER IS TIME FOR COMMON SENSE SOLUTIONS RUNNING OUT

**CAPE TOWN PROPERTY
DEVELOPMENT CONFERENCE**

**PRESENTED BY EMMA MULLER
FOUNDER OF KAACKAI**

An aerial photograph of a parched, arid landscape. A small, irregularly shaped pond with murky, greenish-yellow water sits in the center-left. The surrounding ground is a mix of light tan and dark brown, showing deep cracks and textures indicative of extreme dryness. The overall scene conveys a sense of environmental crisis and water scarcity.

A CRISIS BEYOND URGENCY

WATER SCARCITY IS NO
LONGER A FUTURE RISK -
IT'S A PRESENT CRISIS.

OUR REAL
OBSTACLE?

REGULATION

TECHNOLOGY WORKS. DEMAND EXISTS.

WHY DECENTRALISATION MATTERS?

FINAL THOUGHTS...

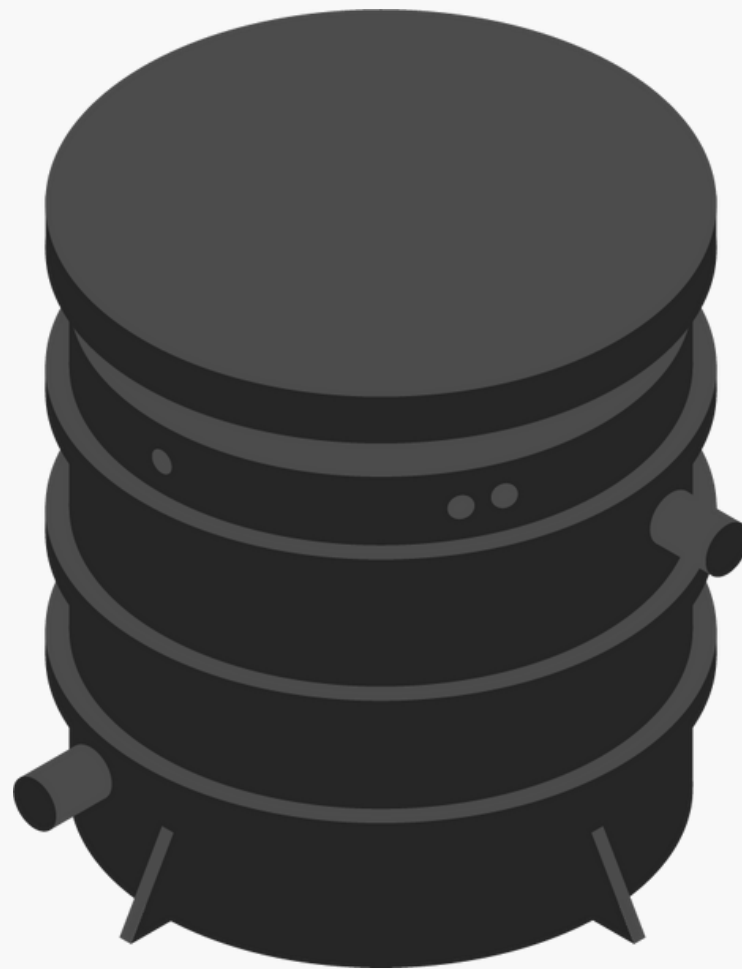

"THERE ARE SOLUTIONS. THERE ARE NO MORE EXCUSES."

LET'S ALLOW COMMON SENSE TO PREVAIL — BEFORE IT'S TOO LATE.
